

Title: Shopmobility Equipment for Penzance

Description

As part of the Town Deal Accelerator Fund provided by HM Government, Penzance is setting up a shop mobility scheme to support the Healthy St Transport scheme and make the high street more accessible for all. We are looking for suppliers to provide a tender for providing the equipment for the shop mobility scheme, with recommendations for what equipment should be included in the scheme to provide a wide range of equipment for use in the town as shop mobility/mobility aids for a range of users. All recommendations should take account of the terrain and streetscape of Penzance.

Suppliers should respond by emailing jessicacolliver@penzancebid.co.uk by midday on Monday 25th January 2021.

Region of supply

Penzance, Cornwall

Estimated value: £40,000

Key dates

01/09/2020 End date: 15/03/2021

Please note that all equipment must be purchased within this period for capital expenditure for the project to be valid.
